

BCIP PLACEMENT CELL

Placement Cell plays a crucial role in locating job opportunities for students passing out from the college by keeping in touch with reputed firms / Organizations. Placement Cell of Banarsidas Chandiwala Institute of Physiotherapy is aptly set up, not only to get a right job, but to guide each of its students to make the right career choice. The Placement Cell operates round the year with the following objectives:

- To provide career guidance about avenues open after graduation. I.e., higher education, placements or entrepreneurship.
- To guide students to choose right career and to clarify their academic and career interests
- To prepare students for recruitment by arranging activities to improve their overall personality
- To assist students in obtaining placement in reputed hospitals / Organizations.
- To organize on-campus off-campus interviews for students.
