

*CAMPUS PLACEMENT ACTIVITY ORGANIZED by
BANARSIDAS CHANDIWALA INSTITUTE OF
PHYSIOTHERAPY*

BCIP organized a campus interview on 5th February 2020 in association with ‘OPTUM – the United Health Group’ organization. A prestigious Health organization ‘OPTUM -UHG’ with branches in Delhi, Mumbai, Kolkatta & Bangaluru visited the college. Orientation of the candidates started with oration from Dr. Kovid the delivery manager of company, recruitment head, and dentist by profession. Interview process started with written test in which 11 students of 2015 batch appeared. All candidates cleared the test and proceeded to group discussion and HR Round with Dr Ashish, technical expert & Physio by profession. After the documentation & verification by Ms Roshni, the HR head, all candidates went for final one to one interview round.

Under the guidance of Dr. Davinder Kumar Gaur, Placement Incharge, BCIP, the event concluded with support of all faculties and staff. Hospitality extended to the companies was well appreciated.

Towards the End of campus interview it was informed that 10 candidates of 11 appeared have been shortlisted and soon be informed about the offer letter and other formalities.

Students expressed their thanks towards college for providing such a platform to help build their career in physiotherapy.
