

Webinar on Soft Skills: Ingredients to a Successful Career on 11th April 2022

Objective:

To make students aware of the important soft skills and tips to develop those skills

Description:

Banarsidas Chandiwala Institute of Physiotherapy organized a Seminar on the topic “Soft Skills: Ingredients to Successful Career”. The guest speaker for the same was Mr. Manuj Matta who is a renowned public speaker.

Mr. Manuj enlightened us on how soft skills are important for growing any business. He conducted a very interactive session in which he mentioned some key points which are essential in our profession as physiotherapists.

He suggested that one should have the ability of being a good communicator and also be empathetic and sympathetic towards the patient. He also mentioned positivity as one of the most important factors while treating patients. Mr. Matta guided the students on networking in order to promote and grow one’s business. For the same, he suggested quite a few methods that could help the students in building networks with people of different niche and hence increasing the clientage.

Overall it was a wholesome session that helped the students understand the basics of communication and its importance.

A positive feedback was received from the participants.
