

Seminar on Scope of Physiotherapy Practice in Canada on 9th May 2022

BCIP organized a seminar regarding Physiotherapy Scope in Canada on 9th May 2022 in collaboration with Canarch immigration solutions and Canalpha immigration.

The aim of the seminar was to elaborate on the scope after BPT in Canada for further higher studies as well as for practice abroad.

Seminar started with Ms. Jasmine, BCIP Alumni who shared her experience of applying for PT license in Canada and explained how BCIP has contributed in this.

The seminar was taken forward by the speakers Mrs. Poonam, Mrs. Sheba. Ms. Poonam, CEO and Founder, Canalpha Immigration explained about the reasons why physiotherapy is at a higher demand in Canada. Added, the requirements to move to Canada were explained including the main factor Course selection, statement of purpose, Visa Application procedure, Scholarships, language tests such as IELTS etc.

Various courses were being discussed which can be pursued after BPT such as community health etc. The duration of each course and the tests for admission were told in detail.

Ms. Sheba, CEO, Canarch Immigration further explained about step wise visa application procedure including all the bands of IELTS, working hours/ internship hours, course details, University and hospitality facilities.

The session was concluded with the doubt session which included questions for scholarships, other courses eligibility, financial requirements for going abroad, financial aids by government, credential scores etc.
