They were able to apply their theoretical knowledge in a hands-on practical way and learnt how to swiftly respond to on-field injuries.

Students and Official Staff were showed their gratitude to Dr. Mohd Asif and Dr. Nidhi Kalra for giving them the opportunity to explore this venture. BCIP students had an amazing experience at this tournament as they got the chance to work with International and National level rank holder tennis players, and had a good time during on-court assessments and treatment. They did taping, cupping and used various modes of physical therapy such as Myofascial release, Deep Friction massage to help out the tennis players during and after their matches.
