I. Nukkad Natak: A Performance for Inclusion

Banarsidas Chandiwala Institute of Physiotherapy organized a Street Play on theme “A World for all” for Disability Rights on 3rd Dec 2024 at various places in South Delhi. The performance unfolded through a series of engaging scenes that depicted the everyday struggles and triumphs of individuals with disabilities. The actors skilfully portrayed characters with various disabilities, including physical, visual, and hearing impairments.

The play emphasized the importance of accessible infrastructure, such as ramps, elevators, and tactile signage, to ensure equal opportunities for all. It also shown the need for inclusive education

systems that cater to the diverse needs of students with disabilities was highlighted. At the end, play addressed the challenges faced by individuals with disabilities in finding employment and called for equal employment opportunities.

The Nukkad Natak was met with overwhelming positive feedback from the audience. The performance sparked discussions and inspired many to take action to promote disability rights. Some of the key takeaways included:

II. Online Awareness Program

To commemorate International Day of Persons with Disabilities (IDPD), we launched an online awareness campaign to raise awareness about disability rights, and inclusiveness of environment of individuals with disabilities. We utilized various digital platform to share informative content. Key messages included the importance of recognizing disability as a form of diversity, breaking down barriers to inclusion, celebrating the achievements of people with disabilities, and working towards a more accessible future.

III. Group Discussion – Convey your Content

On the occasion of the International Day of Persons with Disabilities, a group discussion was held to highlight the challenges faced by individuals with disabilities and to advocate for greater inclusion and accessibility. Participants shared their personal experiences, discussed societal barriers, and explored potential solution.

The discussion highlighted the importance of accessible infrastructure, education, and employment opportunities. Participants emphasized the need for inclusive policies and practices that empower individuals with disabilities to reach their full potential. Additionally, the group discussed the significance of raising awareness, making barrier-free environment and challenging stereotypes to create a more inclusive and understanding Society. The discussion concluded with the speech of Dr. C S Ram, Director, BCIP.
