GREETING CARD COMPETITION

21ST NOVEMBER 2023

Objective: To encourage creativity and artistic expression among students while celebrating the festival of Diwali through handcrafted greeting cards.

The Greeting Card Competition held at Banarsidas Chandiwala Institute of Physiotherapy was a vibrant inter-college event that brought together students from various colleges affiliated with IP University.

The competition witnessed enthusiastic participation from students who showcased their artistic skills by creating handmade greeting cards based on the theme of Diwali. The event not only provided a platform for creative expression but also fostered a sense of healthy competition among the participating colleges.

Participants were required to craft unique and visually appealing greeting cards that captured the essence of Diwali. The theme allowed for a diverse range of interpretations, resulting in a colorful array of entries. The cards were judged based on creativity, adherence to the theme, and overall presentation.

The competition recognized and rewarded the participants who excelled in creating the best-decorated cards. Awards were presented to individuals or teams whose creations stood out in terms of creativity, craftsmanship, and alignment with the Diwali theme.

The competition's success can be attributed to the organizers, participants, and the panel of judges who dedicated their efforts to make the event a memorable celebration of art and culture. Such inter-college competitions play a crucial role in nurturing creativity, fostering a sense of community, and providing students with a platform to showcase their talents beyond academic pursuits.

May the diyas
light lead you
onto the
road of
growth and
prosperity.

HAPPY DIWALI
