### **Nukkad Natak on Diabetes Awareness**

**29 November 2023**

#### **Objectives:**

- Spread awareness about Diabetes and it's symptoms.
- To educate people on the prevention and treatment of diabetes.

#### **Description:**

The nukkad natak was organized with great enthusiasm and participation from students of the Bachelor of Physiotherapy program. The event took place at two significant locations, Gurudwara Baba Banda Bahadur Singh in Kalkaji and Nehru Place, attracting a diverse audience.

The students' performances were exemplary, effectively conveying the message of diabetes awareness through the engaging medium of street drama. The skit depicted scenarios that highlighted the significance of routine checkups, early detection, and the protocols essential for managing diabetes. The crowd present at both locations appreciated the efforts and creativity put forth by the students in delivering a compelling and informative performance

The nukkad natak sessions were held from 11:30 AM to 12:30 PM at Gurudwara Baba Banda Bahadur Singh, Kalkaji, and Nehru Place. The choice of these locations ensured a diverse audience, contributing to the success of the event.

The gathering at both locations showed active participation and engagement, indicating a keen interest in understanding the key aspects of diabetes. The interactive nature of the nukkad natak facilitated a direct connection between the performers and the audience, enhancing the overall impact of the awareness campaign

The success of the event can be attributed to the hard work and dedication of the participating students and the organizing committee. Their commitment to raising awareness about diabetes played a pivotal role in creating a memorable and impactful experience for the audience.
