

## **Psychosocial and Vocational aspect of Rehabilitation**

**(25<sup>th</sup> April 2023)**

- **Objective:** Raising awareness on various topics related to the psychosocial and vocational aspects of rehabilitation

### **Description:**

The webinar aimed to explore and discuss the importance of addressing the psychosocial and vocational aspects of rehabilitation in the context of various disabilities and conditions. It brought together experts and professionals in the field of rehabilitation to share their knowledge and experiences.; Banarsidas Chandiwala Institute of Physiotherapy has organised a 1-day online webinar on the topic “Psychosocial and Vocational aspect of Rehabilitation” which was led by Dr. Heena Bhargava, Physiotherapist Encara-Encompassing Care, Gold Coast (Australia). Ma’am is an alumnus of BPT Batch 2009 and MPT Batch 2014. Ma’am started the talk by asking questions about Ma’am interacted with students talking about her experience with the college and how the institution still continues to help their alumni by any means possible.

The session was led Dr. Heena Bhargava, (PT), Ma’am explained about how one should be careful and considerate when dealing with patient of chronic ailments and who are dealing psychological issues. Ma’am focused on detailed assessment of psychosocial and vocational aspect. The session went very well, students interacted freely with their senior and discussed about strategies of dealing with patient.

The webinar was a huge success. Dr. Nidhi Kalra, Officiating In-charge felicitated Dr. Heena Bhargava, with a planter and a gift as vote of Thanks.
